who are our people?

our people work relentlessly, are high performers, are strategic and analytical decision makers.

our people are gritty, adapt quickly, see obstacles as opportunities, persevere, are growth-minded, are able to be nimble and pivot at any time.

our people are open, honest, transparent and direct, respectful, encouraging, fun, are able to take a joke.

our people have common sense and good judgment, are collaborative, helpful, embrace change, challenge each other, welcome competing perspectives and constructive conflict, able to change opinions, are thoughtful.

our people are creative, able to see the big picture, think outside of the box, look for blind spots, solve complex problems, are able to see limitless potential.

how do we treat our people?

like humans

beam provides fully covered medical benefits, unlimited time off, 401k with up to 4% match, charity matching, wellness stipend toward health or fitness, hsa/fsa/childcare fsa enrollment, and investment into professional and personal development

like adults

beam provides autonomy, ownership, flexibility, constructive feedback, a safe space to flourish, and unbridled opportunity for growth outside of silos. our people are empowered to make decisions for the company - both big and small.

what will not fly at beam™

average performers/mediocrity

defensiveness

being a jerk

passive aggressive or closed communication

exclusivity/in-groups

silos

misogynistic or racist behavior

group think

complacency/phoning it in

complainers/whiners

stagnancy

narrow or small thinking

ego

elitism

unnecessary rules, policies or bureaucracy

micro-managing
